## 2016 Cirrus update

Last newsletter, we briefly mentioned a number of exciting changes to the 2016 Cirrus. Ivy McIver, the SR Product Line Manager for Cirrus, gives us a full run down... [more](#)

---

### **Cirrus Aircraft releases first interactive Flight Operations Manual**

The iFOM is a fantastic new multi-touch iBook designed for use on the iPhone, iPad and Apple® computer platforms, providing pilots personalised mobile access to SR20, SR22 and SR22T flight procedures, standards and techniques.... [more](#)

---

### **Vision SF50 Progress Update**

As the first month of 2016 is already gone, we know many of you are eager to hear about the progression of the Vision Jet toward certification... [more](#)

## Customer Story

Kevin was one of the first to take delivery of the Special Edition Australis. Find out how Kevin and his Cirrus Australis really were made for each other. [more](#)

---

## Cirrus Life Event

Cirrus Melbourne is pleased to introduce their first Cirrus Life Local event. We would like to invite interested parties to join us on a flying trip to Brown Brothers Vineyard in April (firm dates TBC). We'll enjoy a vineyard tour, lunch at Brown Brothers and boutique accommodation at Lindenwarrah hotel and spa. To register your interest, please contact Kreisha: [kballantyne@cirrusaircraft-aunz.info](mailto:kballantyne@cirrusaircraft-aunz.info)

## Blog - say goodbye to litres?

Each edition of our newsletter, we'll endeavour to bring you some technical tips and advice on getting the best out of your Cirrus Aircraft. In this blog, Charles Gunter from Cirrus Melbourne discusses why it is not a good idea to mix litres and gallons for in flight calculations... [more](#)
